Please write plainly, with unfading ink. Every question must be answered. Where exact information is not obtainable, an approximate statement is required. Do not use abbreviations. Write out the full name of the street and number of the house in which the death occurred. Give the usual residence of the deceased, not the place where he may have been temporarily sojourning at the time of death, unless he had no other residence. If the deceased was a married woman, write her own given name and surname, not those of her husband. The statements regarding parentage and birthplace should be as definite as possible. Write the name of the county in every case. Write the name of the city or town in which the deceased was born, if known. Street age is especially important. Physicians: please write the causes of death clearly and legibly.
